

## **My Favourite Time of Year**

By Olivia Shephard with Mr. Vooy

### **Chorus**

I woke up early on Christmas morning,  
So early I could hear everyone snoring,  
Jumped out of bed, I was super excited,  
I knew this day was soon to be ignited,

### **Chorus**

Christmas time is here,  
Time for laughter and cheer,  
Candy canes and fun and games,  
My favourite time of year

Crept down the stairs, I was ever so quiet,  
Saw that my cookies had made Santa's diet,  
He had escaped with snow falling outside  
Cov'ring the reindeer tracks from his sleigh ride,

### **Chorus**

Ran back upstairs to go wake up my parents,  
Check on the baby, his first name is Clarence  
It's his first Christmas, I know that he'll smile,  
When he sees the presents all stacked in a pile,

### **Chorus**

**End with** "my favourite time of year"

## **A Gift from the Heart** by Lauryn Riva Cambrin and Mr. Vooys

### **Verse 1**

At the mall, November twenty-sixth,  
And she checks her balance, as she checks the list,  
Will it be enough?

Makes some checks,  
Crosses off a few,  
Might not be as much as their friends at school,  
Will it be enough?  
Will it be enough?

### **Chorus**

Some people say,  
“Buy a gift at the mall”,  
But a gift from the heart,  
Is the best gift of all,

It could be handmade,  
Like a poem or some art,  
But the best gift of all...  
Is a gift from the heart

Do, Do, Do  
Bee-Do-Bee  
Do, Do, Do  
Buh-Duh-Buh-Duh, Duh-Duh  
Do, Do, Do  
Bee-Do-Bee,  
Do, Do, Dooo

### **Verse 2**

Six AM,

December twenty-fifth,  
And she's staring at the tiny pile of gifts,  
Will it be enough?

Thumps upstairs,  
As the kids arise,  
She's got smiling lips, but tears in her eyes,  
Will it be enough?  
Will it be enough?

### **Chorus**

Some people say,  
"Buy a gift at the mall",  
But a gift from the heart,  
Is the best gift of all,

It could be handmade,  
Like a poem or some art,  
But the best gift of all...  
Is a gift from the heart

Do, Do, Do  
Bee-Do-Bee  
Do, Do, Do  
Buh-Duh-Buh-Duh, Duh-Duh  
Do, Do, Do  
Bee-Do-Bee,  
Do, Do, Dooo

### **Bridge**

Some people say,  
That a fancy gift is much better,  
Like a Playstation 5,  
Or maybe an iPhone Whatever,

And these gifts might be sweet,  
We admit they sound nice,  
But the best gift of all,  
Can't be bought at a price,

**Mini-Chorus**

Some people say,  
Buy a gift at the mall,

**Final Chorus (with key change, up one whole step to E Major)**

Some people say,  
“Buy a gift at the mall”,  
But a gift from the heart,  
Is the best gift of all,

It could be handmade,  
Like a poem or some art,  
But the best gift of all...  
Is a gift from the heart (hold the last note to make it extra long).
