

A Gift from the Heart by Lauryn RC and Mr. Vooy

Verse 1

At the mall, November twenty-sixth,
And she checks her balance, as she checks the list,
Will it be enough?

Makes some checks,
Crosses off a few,
Might not be as much as their friends at school,
Will it be enough?
Will it be enough?

Chorus

Some people say,
“Buy a gift at the mall”,
But a gift from the heart,
Is the best gift of all,

It could be handmade,
Like a poem or some art,
But the best gift of all...
Is a gift from the heart

Doo, Doo, Doo (*a bunch of “doo’s”, like we practiced*)

Verse 2

Six AM,
December twenty-fifth,
And she’s staring at the tiny pile of gifts,
Will it be enough?

Thumps upstairs,
As the kids arise,
She’s got smiling lips, but tears in her eyes,
Will it be enough?
Will it be enough?

Chorus

Some people say,
“Buy a gift at the mall”,
But a gift from the heart,
Is the best gift of all,

It could be handmade,
Like a poem or some art,
But the best gift of all...
Is a gift from the heart

Doo, Doo, Doo (*a bunch of “doo’s”, like we practiced*)

Bridge

Some people say,
That a fancy gift is much better,
Like a Playstation 5,
Or maybe an iPhone Whatever,

And these gifts might be sweet,
We admit they sound nice,
But the best gift of all,
Can’t be bought at a price,

Mini-Chorus

Some people say,
Buy a gift at the mall...

Final Chorus (with key change, up one whole step to E Major)

Some people say,
“Buy a gift at the mall”,
But a gift from the heart,
Is the best gift of all,

It could be handmade,
Like a poem or some art,

But the best gift of all...

Is a gift from the heart (*hold the last word to make it extra long*).
